

## TREATMENT AGREEMENT, CONSENT & ACKNOWLEDGEMENT

#### What to expect:

**First appointment:** Your first visit will be with an admissions therapist who will provide a behavioral health assessment. At the end of this assessment, you and the therapist will discuss what services make sense. You will be assigned to a clinical provider who will be your <u>clinical care coordinator</u>. Your next appointment will be scheduled before you leave. You are welcome and encouraged to include friends and/or family at any point in your treatment process (with your written permission).

- •Clinical care coordinator: This professional could be a therapist, a case manager, or other clinical provider, based on the level of care you need and agree to. You will participate in the development of your treatment plan with your clinical care coordinator. This treatment plan is your "map of care" that includes specific goals and milestones that you want to accomplish. This will also include clinical advice on when you can expect treatment to be complete. You will discuss what types of services will help you reach your goals. Your clinical care coordinator may also refer you for an appointment with a psychiatrist or a clinical nurse specialist at AllHealth Network to discuss medication.
- •Medical services: As a health care agency, AllHealth Network expects frequent coordination with your primary care physician. In addition, if the psychiatrist or advanced practice nurse prescribes medications, there will be close monitoring and communication between you, the clinical care coordinator and our medical staff.
- •Completing treatment: Our goal is for you to succeed in your treatment. When you and your care team determine that you have met your treatment goals and treatment is no longer indicated, your clinical care coordinator will discharge you from AllHealth Network care and provide referrals for aftercare if needed.
- •Scheduling: AllHealth Network offers services at various locations and hours. We work to accommodate your scheduling needs to the best of our ability; however, your appointment may be during school or work hours. Please contact 303-730-8858 at least 2 business days in advance if you need to cancel or reschedule an appointment so that we can schedule another client.
- •Missed appointment: Please call to cancel any appointments you are unable to keep. If you don't attend a scheduled appointment, we will call you to follow up. We want to know what the situation was that kept you from attending and work with you to solve problems, remove barriers, address your concerns, and attend to your recovery goals quickly and with exceptional care.
- •Exceptional care and staying in touch: Please notify AllHealth Network of any changes in your telephone number, address, and/or your insurance coverage immediately, by calling 303-730-8858. If you are unhappy with services, please communicate this to any of your providers so we can find solutions to your concerns. You may also call the AllHealth Network Client Representative at 303-347-6405, who will work with you to resolve any concerns that you may have.
- •Client decision to stop treatment: If you decide to stop treatment before your goals are met, please contact us so we can close your chart. If you stop treatment without contacting us, we will notify you by letter that we are discharging you and provide information about resources outside of AllHealth Network .With your written permission, we will send your records to a new provider. If you are being prescribed medications, we can provide a plan for safely stopping medications. You may contact us to request a limited prescription (generally 30 days) while you find another provider. Your primary care physician may be able to continue to provide you with medication services. Discharging from AllHealth Network means you will not be able to receive any further behavioral health treatment or medication. If you would like to start treatment again please call our Admissions Department at 303-730-8858.

## **Advance Directives**

#### What is an Advance Directive?

According to CMS-2104-F, Section 438.6(i)(1) and Colorado State law CRS 15-18.101-113, every competent adult has the right to make determinations on medical treatments, including the right to accept or refuse medical care and to exercise an Advance Directive. Advance directives are instructions written by you that inform your physician of your preferred treatment in the event of your incapacitation. It also allows you to designate a medical decision maker to make choices for you in the event that you are unable.

These laws require us to ask if you have an Advance Directive. While we are not able to assist you with completing advance directives, we will provide you with information and resources to support your decision making process.

#### **Colorado Recognizes These Advance Directives:**

Living will – (also known as Declaration as to Medical Treatment) This document tells your doctor how to proceed with life sustaining measures if you have a terminal illness or are in a persistent vegetative state and are unable to communicate your wishes. A living will also allow you to designate organ donation and the designation of your remains in the event of your passing.

CPR Directive –Allows for you to make your wishes known as to which methods, if any, you would like performed in the event your heart or breathing stops.

Medical Durable Power of Attorney – Allows for you to appoint a decision maker in the event you are terminally ill and unable to make your wishes known. The appointed decision maker would be designated as your "agent" and is expected to make decisions about your care when you are no longer able. Proxy Decision Maker – Allows for the appointment of a designated decision maker if one has not already been appointed in the event you are unable to make decisions for yourself.

#### **AllHealth Network and Advance Directives**

Advance directives are not a requirement for you to receive care at AllHealth Network. It is your responsibility to provide your advance directive to AllHealth Network. If you provide us with your advance directive, AllHealth Network will provide care according to your written wishes, except as recognized in the Colorado Medical Treatment Decision Act (C.R.S. 15-18-102). You may amend or revoke an advance directive by informing the AllHealth Network privacy officer in writing to 155 Inverness Drive West, Englewood CO 80221.

#### If your provider refuses to honor your advance directives you can:

- Call the Behavioral Health Administration: 303-866-7400
- Call the Colorado Department of Public Health and Environment at: (303) 692-2980
- Or write to: Colorado Department of Public Health and Environment 4300 Cherry Creek Drive South Denver CO 80246-1530 or go to this website: http://www.colorado.gov/cs/Satellite/CDPHE-EM/CBON/1251589738636

This document is for your information only. It is not legal advice about advance directives. If you have questions, please consult an attorney who has experience with advance directives. You can visit <a href="https://www.coloradoadvancedirectives.com">www.coloradoadvancedirectives.com</a> for additional information on creating advance directives.

### FEE/BILLING POLICY

Thank you for choosing AllHealth Network as your behavioral health care provider. We are committed to providing you with outstanding care at the most affordable cost. In order to achieve these goals, we need your assistance and understanding of our financial policy.

# ALL CO-PAYMENTS, CO-INSURANCE, DEDUCTIBLES AND/OR NON-COVERED SERVICES ARE DUE AT THE TIME OF SERVICE. WE ACCEPT CASH, CHECK AND MAJOR CREDIT CARDS.

- I understand that responsibility for payment of services for myself and my dependents is mine; due and payable at the time services are rendered, unless financial arrangements have been pre-made.
- As a courtesy, upon presentation of your current valid insurance card we will bill your insurance carrier.
   However, the entire balance is your responsibility whether the insurance company pays or not. Your
   insurance policy is a contract between you and your insurance company. We are not party to that
   contract.
- You are responsible to know what services your insurance covers. You understand that should your insurance not cover specific services you <u>may</u> be responsible for the cost of those services.
- Financial assistance is available for qualified clients who are lawfully present in the United States and who can provide current proof of income, dependent(s) and address. A list of appropriate documents is available upon request.
- It is your responsibility to make sure that the insurance card provided is the most current and that all the personal information is correct including your name, date of birth, address and telephone number along with your primary care physician (if applicable). In the event that your insurance coverage changes to a plan in which we are a non-participating provider, you are responsible for payment in full at the time service is rendered.
- AllHealth Network is authorized to receive direct payment from your insurance carrier for any behavioral health and/or medical benefit services being rendered.
- AllHealth Network reserves the right to charge a \$35.00 Insufficient Funds Fee for any returned items (checks and/or credit/debit card transactions).
- AllHealth Network reserves the right to charge a \$30.00 No-Show Fee for all appointments cancelled without 24 hours advanced notice
- AllHealth Network reserves the right to add up to 25% of the total delinquent amount if your account is to be sent to an outside collection agency. You understand that you are responsible for all costs of collection including attorney fees, collection fees of 30%, and any additional court costs.
- Review of this financial policy and the completion of a financial intake are required annually.

#### Consent

I understand that by signing this fee agreement, I agree to treatment and commit to regular on-time attendance for all of my appointments. I understand that attending sessions will help me reach my treatment goals. I further understand and agree that two missed appointments or late cancellations in 90 days, failure to pay required co-payments or any combination thereof, could result in my care being moved to an alternative level of care, outreach attempts, or discharging me as a client if I don't respond. I understand that payment is due at the time of service. I understand that outstanding fees must be paid in order for me to be considered for re-admission. I am welcome to call admissions at 303-730-8858 to be considered for future services. I have been offered a copy of this agreement for my records.
